

A night to remember

今宵難忘、風采動人

Taiwan's aboriginal designers drew inspiration from indigenous cultures and put on a spectacular show for local brand Totem's new line — mixing traditional tribal apparel, trendy ready-to-wears, music and dance. Formal tailored suits were spiced up with aboriginal-inspired embellishments. Though your average city man might not be ready for breezy creatively cropped trousers just yet, it is a unique twist on Western styles.

Fukuoka Asia Collection (FACO) put on a shortened version of the famed stage performance in Taipei on Sunday for the first time. Fukuoka designer brands Arnev, LATO*CALLE, Salire and Quantize displayed a few outfits from their newest lines. Arnev stood out with more neutral army prints and luxurious faux fur, while LATO*CALLE charmed all with a soft, Hepburn-inspired look. Salire's feminine designs — dotted with pearls

and crystals — and Quantize's white satin dresses paired with daring statement pantyhose are perfect for confident city girls unafraid to play with the rules.

Who else is better fit to close the final day than Taiwanese designer Goji Lin himself. From Victorian gowns with exquisite detailing to bright red showstoppers, or lovely designs featuring silk ribbons — that made models look like gift-wrapped porcelain dolls — Goji Lin's new spring collection would satisfy a diverse range of tastes. Besides the more classic styles, such as little black dresses or floor-length gowns, a stunning dress with large flowers blooming on the shoulders caught everyone's attention. They are fairy tale dresses fit for a princess, delicately rendered for a night to remember. ■

台灣原住民設計師從部落圖騰尋找靈感，「原風」時裝品牌「Totem」結合音樂、舞蹈、傳統服裝、和現代成衣設計，呈現五光十色的精彩時尚秀。正式西服的剪

裁、配上部落圖紋和裝飾，撞出新火花、獨領風騷。褲子後面鏤空的造型，儘管不是都會男士習以為常的，仍是「Totem」果敢獨特的創意。

福岡時裝節 FAcO 被譽為日本九州最大規模的時尚活動，星期天首度將部分展品表演搬至台灣、原「衣」重現。福岡當地人氣品牌「Arnev」、「LATO*CALLE」、「Salire」、「Quantize」精選最新作品在台北展示。其中「Arnev」因為軍裝元素、中性造型、皮革的運用最為吸睛，「LATO*CALLE」更以迷人的柔和色系，讓模特兒散發出奧黛麗赫本的典雅風格。「Salire」的設計以珍珠和水晶點綴、深具女人味，而最後出場的「Quantize」的雪白蕾絲裙配上大膽的雙色絲襪，表現出都會女孩的自信與不羈、特立獨行的態度。

當天由台灣知名設計師林國基擔任壓軸、為活動劃下圓滿句點。林國基在「2016 SS 時尚完美女神 — 美麗身形象表會」上，呈現最新的春裝系列，風格千變萬化。低調細膩的維多利亞風，讓穿著晚宴服的女孩穿越時空來到「傲慢與偏見」的翩翩世界。而鮮紅色的禮服耀目奪目，成為全場焦點。另外，洋娃娃般可人的蝴蝶結設計，讓模特兒看起來像包裝好的禮物。除了經典的小黑裙和襯托身材的長禮服，肩上添花盛開的禮服讓人驚嘆。透過林國基的設計，彷彿進到童話故事書裡、遇見王子的宴會。精心縫製，只為最動人難忘的夜晚。 ■

Longing for spring

春日氣息

Fashion Exhibit • 靜態區

When winter comes, spring is never far behind. That's the impression we gained on Nov. 15 in the collections presenting the 2016 spring inspiration — floral-print dresses as lovely as the darling buds of May. As the first step to get into the spring mood, Cheng Pai Cheng's forest-inspired one-piece is mellow, soft and feminine. Its colorful blooming daisy patterns and

comfy waistline design just make the spring more delightful.

To wear Sophia Wu's rosy tank top with its separate Chelsea collar, and C.T. Liu's white lace embroidered skinny pants is another effortless way to be on point for the season. Kotipesá's H shape dress with diamond pattern in the front and square on the back is definitely eye candy for the season. With its purposely V line cut on the back, and amaranth liberty prints, the dress is just adorable. As for the warmer days, Crystal Wang's blue

porcelain maxi dress with its breezy fabric is both casual and graceful for hangouts. ■

如果冬天來了，春天一定不會遠了。這是我們從11月15號的台北魅力展中的春季產品中得到的印象，比如印花圖案和五月的花朵一樣美麗的裙子。作為第一個跨入春天氣氛的，樂時 Cheng Pai Cheng 的森林系洋裝顯得成熟，柔美、女性化，多彩的雛菊圖案和舒適的腰線設計使得春天更浪漫。

穿上 Sophia Wu 的玫紅色無肩上衣和劉俊廷 C.T. LIU 的白色蕾絲褲，將是春天裡最亮眼的風景線。Kotipesá 的 H 形的洋裝也是很養眼，前面是菱形的圖案，但後背卻是方形。後背上刻意剪裁的 V 形和她紫紅色的圖案，使整件洋裝特別可愛。天氣更熱的時候，Crystal Wang 的青花瓷長裙以及透氣的材質使得外出穿時又隨性又優雅。 ■
