Taiwan's aboriginal designers drew inspiration from indigenous cultures and put on a spectacular show for the new line of TOTEM, founded by the Taiwan Indigenous Survival and Development Association — mixing traditional tribal apparel, trendy ready-to-wear items, aboriginal music and dance. Formal tailored suits were spiced up with aboriginal-inspired embellishments. The combination of various elements of the line display TOTEM's unique take on fashion.

Fukuoka Asia Collection (FACo) put on a shortened version of the famed stage performance in Taipei on Sunday for the first time. Fukuoka designer brands Arnev, LATO*CALLE, Salire and Quantize displayed a few outfits from their newest lines. Arnev stood out with more neutral army prints and luxurious faux fur, while LATO*CALLE charmed all with a soft, Hepburn-inspired look. Salire's feminine designs — dotted

with pearls and crystals — and Quantize's white satin dresses paired with daring statement pantyhose are perfect for confident city girls unafraid to play with the rules.

Who else is better fit to close the final day than Taiwanese designer Goji Lin himself. From Victorian gowns with exquisite detailing to bright red show-stoppers, or lovely designs featuring silk ribbons — that made models look like gift-wrapped porcelain dolls — Goji Lin's new spring collection would satisfy a diverse range of tastes. Besides the more classic styles, such as little black dresses or floor-length gowns, a stunning dress with large flowers blooming on the shoulders caught everyone's attention. They are fairy tale dresses fit for a princess, delicately rendered for a night to remember. ■

福岡時裝節FACo被譽為日本九州最大規模的時尚活動，星期天首度將部分展品表演搬至臺灣，原「衣」重現。福岡當地人氣品牌「Arnev」、「LATO*CALLE」、「Salire」、「Quantize」精選最新作品在臺北展示。其中「Arnev」因為軍裝元素、中性造型、皮革的運用最為吸睛，「LATO*CALLE」更以迷人的柔和色系，讓模特兒散發出典雅麗珠本的典雅風格。「Salire」的設計以珍珠和水晶點綴、深具女人味，而最後出場的「Quantize」的雪白蕾絲裙配上大膽的雙色絲襪，表現出都會女孩的自信與不羈、特立獨行的態度。

當天由臺灣知名設計師林國基擔任壓軸、為活動劃下圓滿句點。林國基在「2016 SS時尚完美女神—美麗身型發表會」上，呈現最新的春裝系列，風格千變萬化。低調細膩的維多利亞風，讓穿著晚裝的女孩穿越時空來到「傲慢與偏見」的翩翩世界。而鮮紅色的禮服耀眼奪目，成為全場焦點。另外，洋娃娃般可人的蝴蝶結設計，讓模特兒看起來像包裝好的禮物。除了經典的小黑裙和襯托身材的長禮服，肩上添花盛開的禮服讓人驚嘆。透過林國基的設計，彷彿進到童話故事書裡，遇見王子的宴會。精心縫製，只為最動人難忘的夜晚。 ■

Longing for spring

春日氣息

When winter comes, spring can never be far behind. A spring impression with darling buds of May on floral printed dresses was presented to us on Nov. 15 from the spring collections of 2016. As the first step to steep ourselves in a spring mood, Cheng Pai Cheng's forest-inspired one-piece is mellow, soft and feminine. The colorful blooming daisy

patterns and comfortable waist-line design just make spring more delightful and romantic.

Donning Sophia Wu's rosy tank top with its separate Chelsea collar with C.T. LIU's gray knee-length shorts is another effortless way to stay chic for the season. Kotipesa's H-shape dress, with a diamond pattern on the front and a square on the back, is definitely an eye candy for the season. With its purposely V-line cut on the back, and amaranth liberty prints, the dress is more than adorable. As

for warmer days, Crystal Wang's blue porcelain maxi dress with its breezy fabric is both casual and graceful for hangouts. ■

當冬天來臨，春天就在不遠處。11月15日的台北魅力展中，春季新品圍繞人們在春天的氣息裡，如同這件印花群上的五月花兒般燦爛。作為踏入春天的第一步，樂時Cheng Pai Cheng的森林系洋裝顯得成熟、柔美和女性化。多彩的雛菊圖案和舒適腰線設計使春天更加浪漫。

而Sophia Wu的玫紅色無肩上衣和劉俊廷C.T. LIU的灰色五分褲，讓您化身春天最亮眼的風景。Kotipesa的H形洋裝，正面的菱形圖案與背面的方形，不吸引眾人目光也難。後背上刻意的V形剪裁和紫紅色花朵圖案，使整件裙子特別可愛迷人。天氣更暖活時，Crystal Wang的青花瓷長洋裝利用透氣材質，讓您穿出隨性中的優雅。 ■
